Authorization for this examiner's amendment was given in a telephone interview with Mr. Cameron K. Weiffenbach on February 9, 2004.

The application has been amended as follows: Claims 1-5 have been deleted.

The preceding amendment was made because the claims (deleted) were directed to a non-elected invention.

2. The following is an examiner's statement of reasons for allowance: Claims 6-25, are allowable over the prior art of record (U. S. Patent No. 6,610,456 (Allen et al)) because the prior art of record fails to disclose a pattern formation method comprising forming a resist film by applying a pattern formation material containing a polymer that includes a benzene ring of TFMST as required by chemical formulas 2, 4, 5, 7, 9, 11, and 12 recited in the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
